A Rendezvous with the Rivers Dedicated to Safari rides in one of the Largest River Basin of India Ganga River Basin is spread in an area of approx.8,61,452 Sq.km, covering 11 states of the country, Uttarakhand, Uttar Pradesh, Haryana, Himachal Pradesh, Delhi, Bihar, Jharkhand, Rajasthan, Madhya Pradesh, Chhattisgarh and West Bengal.

Gangetic Dolphin

Jalaj Dolphin Safari, is an initiative under the NMCG-WII Jalaj connecting river and people to realize Arth Ganga Project. These Safari rides are dedicatedly taking visitors on river Ghat at select locations for rides in the Ganga River and its tributaries. Jalaj safari are biodiversity sensitive ecotourism based boat safaris that have not only created livelihood opportunities for local communities residing near the banks of the rivers but also provides its visitor an enthralling experience of sighting of our National Aquatic Animal- the gangetic dolphin and other species of conservation concern including; turtle, water-birds, crocodilians, fishes etc. and glimpses of our rich cultural heritage that has thrived along the Ganga River and its tributaries.

Jalaj is a concept to establish symbiotic linkages between river and people. Jalaj is visualized as model for livelihooddiversification, through promotion of local produce, and are aimed towards strengtheing women participation in ecological and economic spheres

Q Location of Jalaj Dolphin Safari

Jalaj Dolphin Safari are spread at select sites in Uttar Pradesh, Jharkhand, Bihar and West Bengal.

Importance of Jalaj Dolphin Safari

Besides providing its visitors a rich recreation experience jalaj Dolphin Safari are a platform for mass education on the importance of Ganga River and its biodiversity, to itnstill a sense of responsibility towards our fragile ecosystem. Thus, the safari rides are catalyzing grassroots efforts towards Aviral (continuous flow) and Nirmal (clean), rivers aligning with the objectives of the Namami Gange initiative of GOI.
