LUCKNOW

The site is located in the city of Nawabs, Lucknow on the banks of the river Gomti.

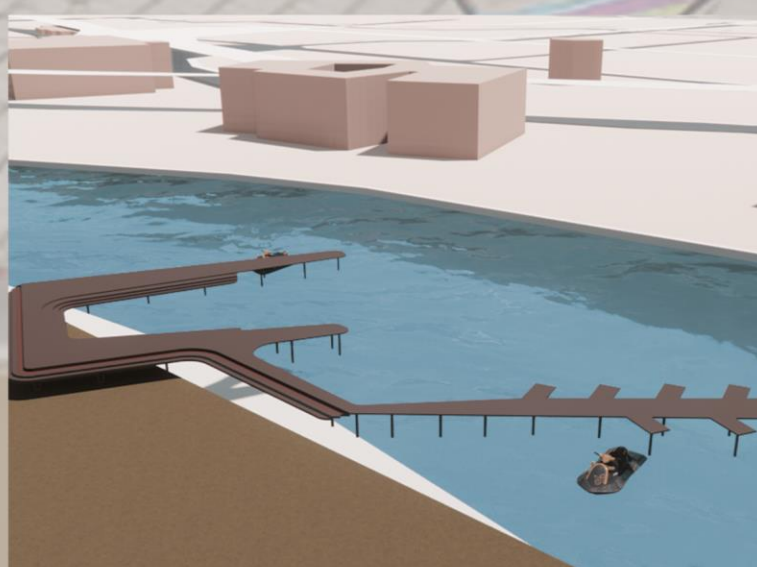

Lucknow

REDEVELOPING THE RIVERFRONT OF THE RIVER GOMTI IN LUCKNOW.

"Riverfront development, when executed with a balance of economic, social, and environmental considerations, can significantly enhance urban livability, promote sustainable growth, and foster community engagement. This thesis explores the multifaceted impacts of riverfront development through historical analysis, case studies, and a critical examination of contemporary urban planning practices."
